

## QUALITY POLICY

Our Vision is to be the preferred surveying and survey consultancy service provider in the Maldives. Our team thrives for delivering excellent service to our clients on time and on budget.

Our Mission is to provide our clients with the very best and complete every project to its finest standards within the agreed timeframe by both parties. In deliverance of our services, we also endeavor to give a prospective contribution to the surveying field in Maldives by investing in the latest technologies and training our employees accordingly.

Our Quality Management System has been designed and implemented to global standards and forms the foundation of a strong customer focused culture that is embedded in all our business processes helping to deliver exceptional services exceeding customer satisfaction and meeting regulatory requirements at all times.

With this promise, the Directors, Managers and Staff of FORESIGHT SURVEYORS are fully committed:

- ❖ To implement, practice and continually develop a Quality Management System that is commensurate and aligned with FORESIGHT SURVEYORS's strategic objectives;
- ❖ To establish and support our quality objectives that is measurable, monitored and reviewed;
- ❖ To ensure all our customer needs and expectations are determined and fulfilled with the aim of exceeding customer satisfaction;
- ❖ To provide all necessary resources for the functioning and maintenance of the Quality Management System;
- ❖ To continually monitor the performance and improve the effectiveness of the Quality Management System;
- ❖ To communicate throughout FORESIGHT SURVEYORS, the importance of meeting customer needs and all applicable statutory and regulatory requirements;
- ❖ To meet all applicable laws and regulatory requirements;
- ❖ To promote awareness of the Quality Management System through staff education, training and dissemination of information;

The Quality Policy is well informed and visible to all employees, suppliers, business partners and is also available on our website. The Policy is reviewed as part of the Management Review for its continuing suitability and objectivity.

Ahmed Nuaim
